Deniz's message:

'I live as though Jesus Christ had been crucified yesterday, had risen this morning and was coming again tomorrow'

Martin Luther King

I take a moment to bring to mind how I would feel if Jesus had been crucified yesterday….

I try to reflect on what it would be like if Jesus had risen today…. Would I be overwhelmed with indescribable joy? How would this impact my community?

Would my actions and life be different if I knew Jesus was coming tomorrow? Why? Am I genuinely looking forward to His coming?

God, I thank you that for those who have put their trust in you, it is as though Jesus had died yesterday and risen today, renewing and restoring us daily. Help us to live our lives in the hope of His coming again tomorrow.
